

The 12 Dinners of Christmas!

During these unprecedented times, the lyric message expressed in the melodic carol "The 12 Days of Christmas" has never been more meaningful. In an effort to "Rescue Christmas" for those most impacted by the current economic climate, The Salvation Army of Palm Beach County has partnered with beloved local restaurants who have graciously agreed to celebrate the spirit of giving by participating in this Holiday Campaign.

The entire community is invited to support this humanitarian endeavor by dining in a Covid-compliant atmosphere at one or more of the participating restaurants on the dates indicated. The *Golden Rings* feature prix fixe gourmet menus with choices, *Swans-a-Swimming* offer evenings a la carte to enjoy at your own pace or even request pickup, knowing a portion of the proceeds will be donated by the restaurant. Guests will savor a delicious dinner and cherished holiday memory, while contributing to help those most vulnerable through The Salvation Army's 12 primary philanthropic programs!
