Dear Friend of The Salvation Army,

Every Child Deserves a Special Thanksgiving and Christmas!

But in reality, millions of children in America will go without Christmas gifts because their parents can't afford them. The need is greater than ever before. In light of COVID-19, The Salvation Army has adapted its services to ensure that children in every community can receive the new clothes, toys and food they deserve this season.

The Salvation Army of Northeast Florida is committed to serving nearly 5,000 local children with Thanksgiving and Christmas assistance. **However, we cannot do it without your help!**

WOULD YOU PLEASE HELP US?

There are several ways you can make the holidays brighter for local children:

- **Conduct a Thanksgiving food drive**
- **Fill Christmas stockings**
- **Host an Angel Tree**
- **Hold a clothing or toy drive**
- **Volunteer**

I am enclosing information about how to get involved and participation forms, so that you can let us know how you'd like to help this year. If you have any questions, feel free to contact me at 904-301-4786 or FLAJax.Holiday@uss.salvationarmy.org

Thank you for collaborating with us to brighten this season for children who are genuinely in need. May God bless you and your family with a wonderful Christmas!

Sincerely,

Julia Gordie
Director of Social Services
