Echelon recognizes that young professionals want to give back to their community but may not have the capacity to make large, financial donations to The Salvation Army. What young professionals CAN do through Echelon is share their skills, passion and talent to make a difference. Members of Echelon are motivated to serve a cause they are passionate about, the work of The Salvation Army in their local community. Each chapter hosts a combination of service, volunteer & networking opportunities to Echelon members who are interested in making a difference for people in need.
